

Member Advisory Committee Meeting - Tuesday October 20th, 2020
Agenda (5:00 PM – 7:00 PM)

Stephen Kangas	Marcus Morissette (Guest)	Rich Formisano (Board Trustee)
		Daylin Baker (Board P)

Agenda:

1. Introductions (5 min)
2. New members to MAC (5 min)
Marcus said he is ready to join and will provide a bio for the next meeting. He shared he needs to leave in about 10 minutes.
3. Discuss possible tasks that MAC can work on/assist (15 min)
Rich suggested talking to members about sharing their concerns over both of the new City Ordinances with the City. Stephen expressed concern about doing this during the pandemic. He is hoping there is more time for finding out how people feel. Marcus said he is willing, but requests we define what we want to know from folks. He suggested providing some education before each question of a survey. Stephen questioned the feasibility of educating folks ahead of a survey, given the number (617).
4. Roundtable (concerns/updates from MAC members) (15 min)
Rich expressed appreciation to Stephen for his previous review of the PowerPoint presentation for the upcoming member meeting regarding chlorination. We discussed the purpose of the presentation and how the members might receive it.
Stephen said he would provide an updated article for the newsletter on home treatment system information. He will get a draft to Daylin by October 23rd.
 - MAC minutes will need to be approved by BOT before being added to website.
 - Next meeting - Tuesday November 10 @ 5:00 pm
