A Member Owned Water Co-op

## NOTICE OF EMERGENCY INTERIM MORATORIUM ON NEW WATER CONNECTIONS AND PUBLIC MEETING

NOTICE IS HEREBY GIVEN that on June 21, 2022, the Board of Trustees of Sallal Water Association adopted an emergency interim moratorium for up to six months on the issuance of new water connections due to limitations on the Association's water rights. This action does not affect water to existing members of the Association and the Association intends to honor written, outstanding and legally binding commitments for new connections.

A public meeting will be held on August 16, 2022 at 6 p.m. at 44021 Tanner Road, Suite E, North Bend WA 98045 at which time the Board of Trustees will accept oral and written testimony regarding this action and its impacts. After receiving testimony, the Board of Trustees may decide to continue, modify or discontinue the interim moratorium, make the moratorium permanent until additional water rights are obtained, determine the method by which the Association will grant additional commitments for connections if any are determined to be available and make any other determination that it deems appropriate or necessary. A remote call-in feature will be offered and due to space limitations and to protect public health, the Association may limit in-person attendance at the meeting. Remote call-in information will be posted on the Association's website <https://sallal.com> in advance of the meeting.

For information or questions regarding this notice, please contact the Association at [admin@sallal.com](mailto:admin@sallal.com), (425) 888-3650, or P.O. Box 378, North Bend, WA 98045.
